

Dear Guests of Victoria Gardens Cultural Center,

On March 12, 2020, San Bernardino County officials ordered the immediate cancellation or postponement of non-essential gatherings of more than 250 people until further notice – this direction is in effort to protect the public from any possible spread of the virus that causes COVID-19.

At this time, the Lewis Family Playhouse at Victoria Gardens Cultural Center is cancelling all programming until the end of April 2020. This includes the following programming:

- *Sister Act*
- Mummenschanz “you & me”
- Inland Pacific Ballet’s *The Little Mermaid*
- *The Miraculous Journey of Edward Tulane*

Also cancelled: VSPI’s Roald Dahl’s *Matilda* (May 8 – May 10)

As an intimate fixed-seating venue we cannot accommodate the social distancing guideline provided by health officials. We support the efforts and mandates put in place by the County, City and public health officials to keep everyone safe.

The Box Office at the Lewis Family Playhouse asks that you please be patient as they reach out to ticketholders.

The safety of our patrons, volunteers and staff has always been and will continue to be our number one priority. We will continue to keep in touch with updates regarding our operations and future plans. For the most current information, please visit our website, www.VGCulturalCenter.com.

Victoria Gardens Cultural Center supports the community and looks forward to hosting you again at future performances and events.
